- CONTACT US

Please check out our website!

The website www.ehealth-north.sk.ca was designed for health care professionals working with clients living with a Chronic Condition in Northern Saskatchewan. Our HEALTH SERVICE DIRECTORY was developed in response to the many health care providers that identified we must communicate more effectively between agencies and jurisdictions to better serve our client needs.

Please check out our site – Some features include:

LINKING REGIONAL HEALTH AUTHORITIES.

HEALTH SERVICE DIRECTORY

Search by:

- Community
- Regional Health Authorities
- First Nation Health & Treatment Centers
- Tribal Council
- & List of Services including:

Acute Care, Admitting Clerks, Chronic Disease Prevention Workers, Community Health Nurse, Diabetes Educators/ADI, Dietitians, Discharge Coordinators, Home Care, Physicians, etc.

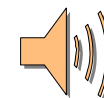

TACKLE BOX
